I understand that the Trustees have discretion whether to comply with this request. I understand I may cancel or change this authorization for payment from the account selected above by written notice to the Plan at least ten days prior to the first day of the month for that month's payment processing. I certify this authorization will remain in effect until either (1) I provide written notice to cancel this request, or, in the case I have elected Pension Deduction above, (2) my health and welfare benefit is greater than my pension benefit and therefore pension deduction is no longer possible. My signature on this authorization indicates that I authorize the verification of the above information by the financial institution of the Plan's Trustees or their designated representative. I consent that a copy of this authorization may be considered as valid as the original.

I also understand the date the deduction will begin, and the current rate will be verified with the Benefit Plans Office. Also, Option #2A is not possible if Health and Welfare contribution exceeds monthly Pension Benefit.
